FOR 1999-01 BUDGET -- NOT READY FOR INTRODUCTION

AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau CORRECTIONAL SYSTEM

JUVENILE CORRECTIONAL SYSTEM

Under current law, the department of corrections (DOC) may operate or contract for the operation of secured correctional facilities for holding in secure custody juveniles who have been adjudicated delinquent and placed in a secured correctional facility under the supervision of DOC by the court assigned to exercise jurisdiction under the juvenile justice code (juvenile court). Current law also permits DOC to license child welfare agencies to operate secured child caring institutions (secured CCI's) for holding in secure custody juveniles who have been adjudicated delinquent and referred to the child welfare agency by the juvenile court or by DOC. Currently, a juvenile court may place a juvenile in a secured correctional facility or a secured CCI only if the juvenile has been adjudicated delinquent for committing an act that would be punishable by a sentence of 6 months or more if committed by an adult and has been found to be a danger to the public and in need of restrictive custodial treatment.

This bill permits a county board of supervisors of not more than one county to establish, and DOC to license, a secured group home for holding in secure custody juveniles who have been adjudicated delinquent for committing an act that would be punishable by a sentence of six months or more if committed by an adult, who have been found to be a danger to the public and in need of restrictive custodial treatment and who have been placed under the supervision of DOC by the juvenile court.

Under current law, various laws apply to juveniles who are placed in a secured correctional facility or a secured CCI. Those laws relate to such subjects as sex offender registration, the commitment of sexually violent persons, a deoxyribonucleic acid data bank of sex offenders, human immunodeficiency virus (HIV) testing when certain persons have been significantly exposed to HIV, adult jurisdiction and criminal penalties for certain persons who commit assault, transfers to a state treatment facility, aftercare planning, escape, notification of victims and witnesses when a juvenile is released or escapes from correctional custody, taking runaways into custody, strip searches and an exception to the open records law when disclosing a record would endanger the security of an institution. This bill applies those laws to juveniles who are placed in a county-operated secured group home in the same manner as those laws apply to juveniles who are placed in a secured correctional facility or a secured CCI operated or sontracted for by DOC under current law.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
